CAR TALK >>

Conversation starters for the ride home with your kids.

Preschool Kids:

Play the "What if . . .?" game as you drive. "What if we had a flat tire? God's got it! What if it starts raining? God's got it! What if we get sick? God's got it!" Practicing a "God's got it!" response to certain scenarios that would normally cause us to worry, before they actually happen, helps us to respond with a "God's got it!" attitude if they do happen.

Elementary Kids:

While driving in the car, ask your child about a time when they wanted to quit something that was difficult but they didn't give up. How did it make them feel when they completed the task? When you're done discussing, play the song of the month from Studio252.tv to celebrate determination!

This theme is geared to capture kids' imaginations about their Creator so they can discover they are MADE by God, MADE for a relationship with Jesus, and MADE to love others. Registration is available for kids age 4 to 4th-Grade at kearneyefree.com.

Memory verse for VBS: "Let your light shine so others can see it. Then they will see the good things you do. And they will bring glory to your Father who is in heaven." Matthew 5:16 (NIV)

Volunteer with eFree Kids this Summer

Our eFree Kids team would invite you to consider a serving opportunity this summer in eFree Kids Sunday School and Vacation Bible School. Would you like to join a team of small group leaders that partners with parents in the faith-training of the next generation? Our staff prepares curriculum and activities each week, to free you up to spend your time connecting with kids and encouraging them in their faith. We have several areas of serving opportunities: small group leaders, helpers, music leaders, tech, and check-in hosts. Stop by the eFree Kids kiosk in the hallway today to learn more about this opportunity, and to sign-up for a test-drive.
